

2.1 Features | Quantum® Sliding / Stacker Door

**Aged Persons and Wheelchair Access**

With the increasing requirement for easy access for wheelchairs and low profiles door sills. Trend® Windows & Doors have incorporate this need in the design the door sill. The addition of our threshold gives the low angle approach together with the standard weatherproofing of a normal sliding door.

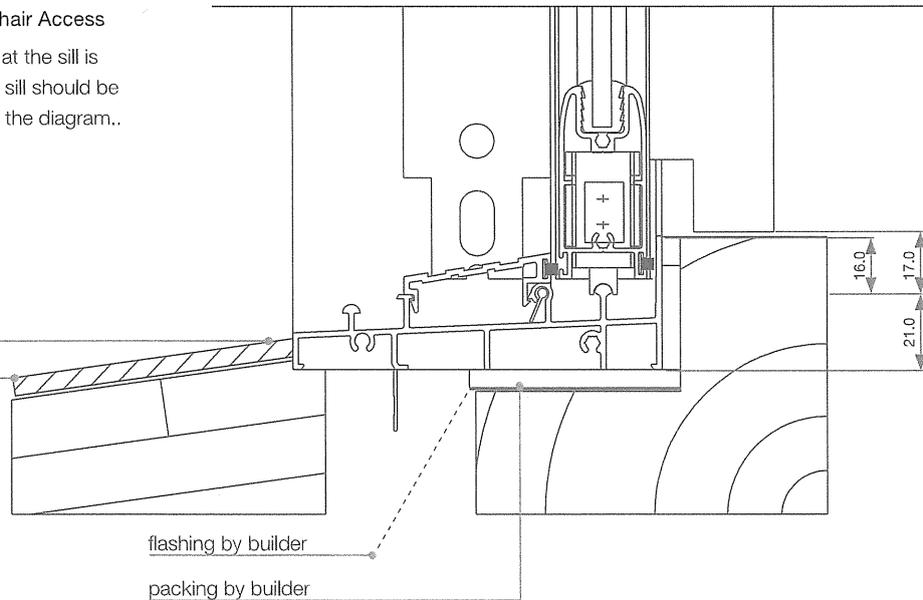

**Installation for Wheelchair Access**

The construction detail at the sill is important and the door sill should be installed as indicated in the diagram..

the gradient shall not be greater than 1:8

non-slip surface
